Insurance: The participants of tournament are aware that this sport is associated with increased physical activity - each player starts competition at his own risk and responsible for their state of health. Do not forget to take out international accident insurance - this insurance is necessary for all medical treatment. Players are reminded of the "Koubaa Rule", that they are responsible for their own insurances. FIR and the tournament organisers decline all responsibility in cases of insurance. With their registration for the tournament, players are explicitly agreeing to this condition.
